## NAZI NAVY ACTUALLY HELPLESS: STRONG ALLIED UNITS NOW IN THE SKAGGERAK COMPLETE BLOCKADE OF GERMANY

### Commander Stuck To Sinking Ship

LONDON, Apr. 12 (Reuter).—How the Commander of H.M.S. Gurkha stuck to his post as his ship was sinking was described today by one of the survivors who said that the Commander was forced to leave by two ratings who seized him and almost threw him into the rescue boat.

The destroyer was sunk by a bomb and while another warship was picking up survivors, German planes dropped more bombs all of which missed.

Another survivor stated: "We were not sinking fast enough and they were determined to finish us off."

### Big British Tanker Torpedoed

LONDON, Apr. 12 (Reuter).—One of Britain's biggest tankers, of 9,000 tons, was torpedoed in the North Sea by a U-boat. She was homeward-bound from the United States.

Thirty-four members of the crew were landed in Scotland and they are believed to have comprised her entire complement.

### MINE DISASTER OFF CASTLE PEAK BAY: JUNK BLOWN TO PIECES

THE WHOLE OF THE CASTLE PEAK AREA WAS SHAKEN BY A TERRIFIC EXPLOSION ABOUT SIX O'CLOCK YESTERDAY EVENING AS THE RESULT OF A JUNK STRICKING A MINE, which blew the craft to smithereens, hurling its occupants and contents over a wide area of sea.

### Admiralty Notifies Mines In North Sea

LONDON, Apr. 12 (Reuter).—The Admiralty gives notice that the following areas in the North Sea, the Skaggerak and the Kattegat, are dangerous owing to mines.

The west limit is Long. 5 deg. E., from Dutch territorial waters northward to Lat. 58 deg. N. then to a position in Lat. 60 deg. N. to Long. 4 deg. E.

The north limit is Lat. 60 deg. N. to the Norwegian coast and thence south and east along to the coast to Swedish territorial waters.

#### SWEDISH WATERS

The east limit is Swedish territorial waters and the south limit (1) in the Kattegat Lat. 57 deg. N. (2) Skaggerak North Sea the Danish and German coasts and Dutch territorial waters.

No mines are laid in a channel extending 10 miles on either side of a line through the following positions: (1) Ramskar Light Lat. 58 deg. 40 minutes N. Long. 11 deg. E. (2) Lat. 57 deg. 30 minutes N. Long. 7 deg. 50 minutes E. (3) Lat. 57 deg. 30 minutes N. Long. 4 deg. 38 minutes E.

## Main Objectives Of British And French Operations

### NAZI PRESS CAMPAIGN AGAIN

#### SWEDISH PAPERS ACCUSED

STOCKHOLM, Apr. 12 (Reuter).—According to the Berlin correspondent of the Svenska Dagbladet, the Nazi press has launched a violent campaign against Swedish newspapers, accusing them of failing to maintain an attitude of strict neutrality over the events in Norway.

It is alleged that the Swedish press "plays up" the angle of British help to Norway which is declared to be incompatible with Swedish neutrality and that it places wireless at the disposal of Norwegian agents.

#### SWEDISH PLANE OVER GOTHENBURG

GOETTERBURG, Apr. 12 (Reuter).—Four air raid alarms were sounded here between 5 and 6 a.m.

The sounding of the sirens was due to the appearance of unidentified planes which were later found to be Swedish.

Considerable alarm was aroused throughout the city and about 3,000 young men of military age were seen mustering at several points.

#### SPECIAL TO HONGKONG DAILY PRESS

Havas reports from Paris that with naval guns roaring in the Skaggerak and all Norwegian waters, military experts are of the opinion that the operations undertaken by the British and French navies and armies have the following as their main objectives:—

- Firstly, the destruction of the German Fleet;
- Secondly, interception of German reinforcements in men and material; and,
- Thirdly, mopping-up operations in Norway as soon as important Allied forces have landed there.

### Ultimatum Reports Unconfirmed

LONDON, Apr. 12 (Reuter).—Reuter learns that there is no confirmation here regarding the reports that the Germans have demanded of the Hungarian and Rumanian Governments that they should be allowed to guard the Danube.

An informed source points out that efforts are continually being made by Germany to create dependency and fear and that these reports may well be part of this campaign.

### Chungking Elated Over S.M.C. Elections

SPECIAL TO H. K. DAILY PRESS  
CHUNGKING, Apr. 12 (Havas).—The outcome of the Shanghai Municipal elections was received with considerable elation in local quarters who pointed out that third party nationals obviously were not taken in by the Japanese promises.

A high Chinese official, interviewed by the press, said: "The S. M. C. polls shows the universal distrust towards the Japanese. No one is willing to accept Japanese rule and no one believes that any good can come from it."

A number of Chinese observers point out that the successful result of British-American co-operation in Shanghai should be borne in mind by those two Powers in their general attitude towards Far Eastern affairs.

### POLICE OFFICER FOUND DEAD

#### BULLET WOUND IN HEAD

Police Constable C871, Tsui Tung, of the Hongkong Police Emergency Unit, was found dead last night, with a revolver wound in his head, near the A.P.C. installation in North Point.

The deceased was attached to Bay View Police Station. Suicide is suspected.

#### SIR IAN FRASER

LONDON, Apr. 12 (Reuter).—Sir Ian Fraser, National Conservative Chairman of St. Dunstan's, was returned unopposed in the Lonsdale, Lancashire, by-election caused by the succession of Lord Balmfoul to his father's title.

### QUIET DAY IN DENMARK

#### CLAIMS IN NAZI COMMUNIQUE

BERLIN, Apr. 12 (Reuter).—A German High Command communique announces that it was a quiet day in Denmark. Patrolling planes on Denmark's west coast did not meet any enemy.

In Norway, the German-occupied territory round Narvik was extended and Elvenes occupied. No fighting occurred.

The British air attack on the Trondheim region was repulsed. Light British Naval forces tried in vain yesterday to penetrate Trondheim Fjord. An attack by British planes with aerial torpedoes was also fruitless.

#### NO ATTACK

The communique adds that with the exception of a fruitless British air attack no other enemy attack took place at Stavanger.

It is claimed that a Vickers Wellington bomber was shot down at Stavanger and that two German planes failed to return from a reconnaissance flight over Paris.

### Members Of Abduction Gang Caught In Shanghai

SPECIAL TO H. K. DAILY PRESS  
SHANGHAI, Apr. 12 (Havas).—The Settlement Police have arrested several members of an extensive gang which specialises in child abduction with a network extending from the southern coastal cities.

So far, 12 boys are missing and are believed to have been taken to Amoy and other points in Fukien Province.

The Police previously recovered two abducted children and returned them to their parents following the apprehension of the kidnappers.

### WESTERN FRONT AIR ACTIVITY

PARIS, Apr. 12 (Reuter).—Air activity yesterday and during the night was more marked, the Germans carrying out reconnaissance flights over various parts of France. During the night some planes reached the Paris region but turned back on meeting anti-aircraft defences.

## STRONGER SUPPORT BY BRITAIN OF TRUE CHINESE GOVERNMENT

LONDON, Apr. 12 (Reuter).—Mr. William Hodgkins, Chairman of the Manchester China Relief Committee, in a letter to the Manchester Guardian, urges that the setting-up of the puppet government in Nanking demands stronger, not weaker, support by Britain of the true Chinese Government.

"It is perhaps hardly realised even yet in this country how completely Japan has failed to conquer even the so-called occupied areas and in eastern China a million guerilla fighters continue the struggle behind the Japanese lines."

"The establishment of the puppet government is Japan's attempt to succeed by intrigue where she failed by force. Any recognition by this country of the Wang Ching-wei 'government', however indirect it might be, would unquestionably aid her to eventually achieve her aim of driving the Western Powers from the Far East."

#### CONSTANT HEADACHES

SHANGHAI, Apr. 12 (Int'l).—Gen. Yeh Ting in command of 50,000 guerillas at strategic points outside the area formed by Shanghai, Nanking and Lake Taihu, has gone to Chungking to make a report on the situation following the establishment of the Wang Ching-wei regime.

These forces are a source of constant headaches to the Japanese in that vicinity, according to foreign press despatches.

## R.A.F. AIRCRAFT RAID STAVANGER AERODROME

### Enemy Planes On Landing Ground Raked With Fire

LONDON, Apr. 12 (BWS).—The Air Ministry announced early this morning, "Two attacks were carried out yesterday evening by aircraft of the R.A.F. against the enemy who have occupied Stavanger Aerodrome. One of our aircraft failed to return."

"In the first raid the enemy aerodrome was subjected to a very heavy attack by a formation of bombers. Our aircraft met with strong anti-aircraft fire but dropped their bombs with accuracy and, in addition to doing other damage, set fire to the petrol dump."

"In the second raid, another formation carried out a low-flying attack and raked with machine-gun fire a large number of enemy aircraft which were drawn up on the landing ground. Much damage was seen to have been done."

During Thursday night R.A.F. bomber aircraft carried out attacks in force on enemy transport and supply vessels in the Kattegat and in the Great and Little Belts to the south. Preliminary reports indicate that among the objectives attacked was a vessel of about 8,000 tons which blew up with a violent explosion and must have been carrying ammunition."

#### ENVELOPED IN FLAMES

STOCKHOLM, Apr. 12 (Reuter).—Following several loud explosions, a ship of considerable tonnage was seen enveloped in flames in the Skaggerak, south-west of Koster Islands, this morning says a message from Stromstad, near the Norwegian border.

A number of German patrol boats rushed to the spot. It is thought that the ship was carrying a large consignment of petrol.

### TURKISH WOMEN TO WORK 12 HOURS DAILY

ISTANBUL, Apr. 12 (Reuter).—Under a new decree passed by the Council of Ministers, Turkish women and children employed in armaments factories henceforth will be compelled to work 12 hours daily instead of nine when necessary.

The labour law regulating working hours is suspended and all workers may now have to do night shifts.

A second decree orders all citizens and institutions to submit to the authorities, within three days, detailed declarations of quantities and kinds of iron in their possession.

#### CREDITS INCREASED

ANKARA, Apr. 12 (Reuter).—The Defence Ministry has submitted to the National Assembly Bill providing for further extraordinary credits amounting to £2,500,000 for munitions and needs for war.

The extraordinary credits for the next financial year, beginning on June, this was increased to £14,000,000.

Among those attending were white-bearded Mitsuru Toyama, famous chief of the Black Dragon Society, Sakutaro Hori, claimant of the most distinguished model beard and whiskers, Gensoku Koyama, a hermit who came from his Kikuyama mountain hermitage, Rikio Sugan, famous explorer, and Gensuke Imai, a member of the House of Peers.

The champion's title for the coming six months went to Naosaburo Kato, already holder of the title.

Kato unfurled his 5 ft. 7½ inch beard and no-one present was able to match it.

# KOWLOON FOOTBALL CLUB IN SERIOUS FINANCIAL POSITION

## Subscription Increased

The growing excess of expenditure over income was given as the main reason for the serious financial position in which the Kowloon Football Club finds itself, by Mr. B. D. Evans when he presided at the extraordinary general meeting held yesterday evening in the Club hall.

### TSUI ENTERS SEMI-FINAL

#### TENNIS TOURNAMENT AT H.K.C.C.

A fairly large crowd of spectators was present at the Stand Court of the Hongkong C. C. yesterday afternoon to witness Tsui Wai-pui, holder defeat Pang Oi-lam in the fourth round of the Open Singles Tennis championship after 24 games in only a few of which there were good rallies.

Double-faulting seemed to be the order of the day with Tsui the chief offender. Pang out in some splendid driving especially to the corners but, on the whole, the match was not of a high standard.

Tsui, who won 7-5, 7-5, enters the semi-final where he will meet the winner of the match between his brother, Tsui Yan-pui, and Tennis Kwok.

## TWO SOFTBALL FINALS ON K.F.C. GROUND

### India Should Win Men's Game: China Liked For Ladies

BY R.O.Y.

Judging from the excellent fare served up by the semi-final and first round matches played during previous weeks, tomorrow's International finals should provide local softball enthusiasts with entertainment spiced with plenty of excitement.

The matches will be staged at the Kowloon Football Club ground and proceeds will go to the Women's Air Raid Precautions Union.

Opening the programme at 10.30 a.m., the Chinese lassies clash with Portugal in what should be a battle-royal. The former squad are the holders of the Molten Shield and are much fancied by the majority of critics to retain the trophy emblematic of national superiority in local softball.

## THIS IS CHESS

CHUNGKING, (Central News by Air Mail)—Blindfolded, Hsieh Hsiao-sun, well-known Chinese chess champion, played the first exhibition match in Chungking last Sunday night and overcame his opponent with a few moves amidst loud applause from several hundred chess fans.

This was one of the items of an informal chess match held in the hall of the French-Belgian-Swiss Returned Students' Association, under the auspices of the China Branch of the International Peace Campaign.

The informal tournament was preceded by a short speech by Mr. Shao Li-tze, Vice-President of the I.P.C. China Branch.

In defeating Britain last week, the Chinese girls were not at all impressive and it would come as no great surprise if the Portuguese squad were to reverse the result of last year's final, especially as the latter trounced the British representatives by a wide margin when they met in a practice session only two weeks ago.

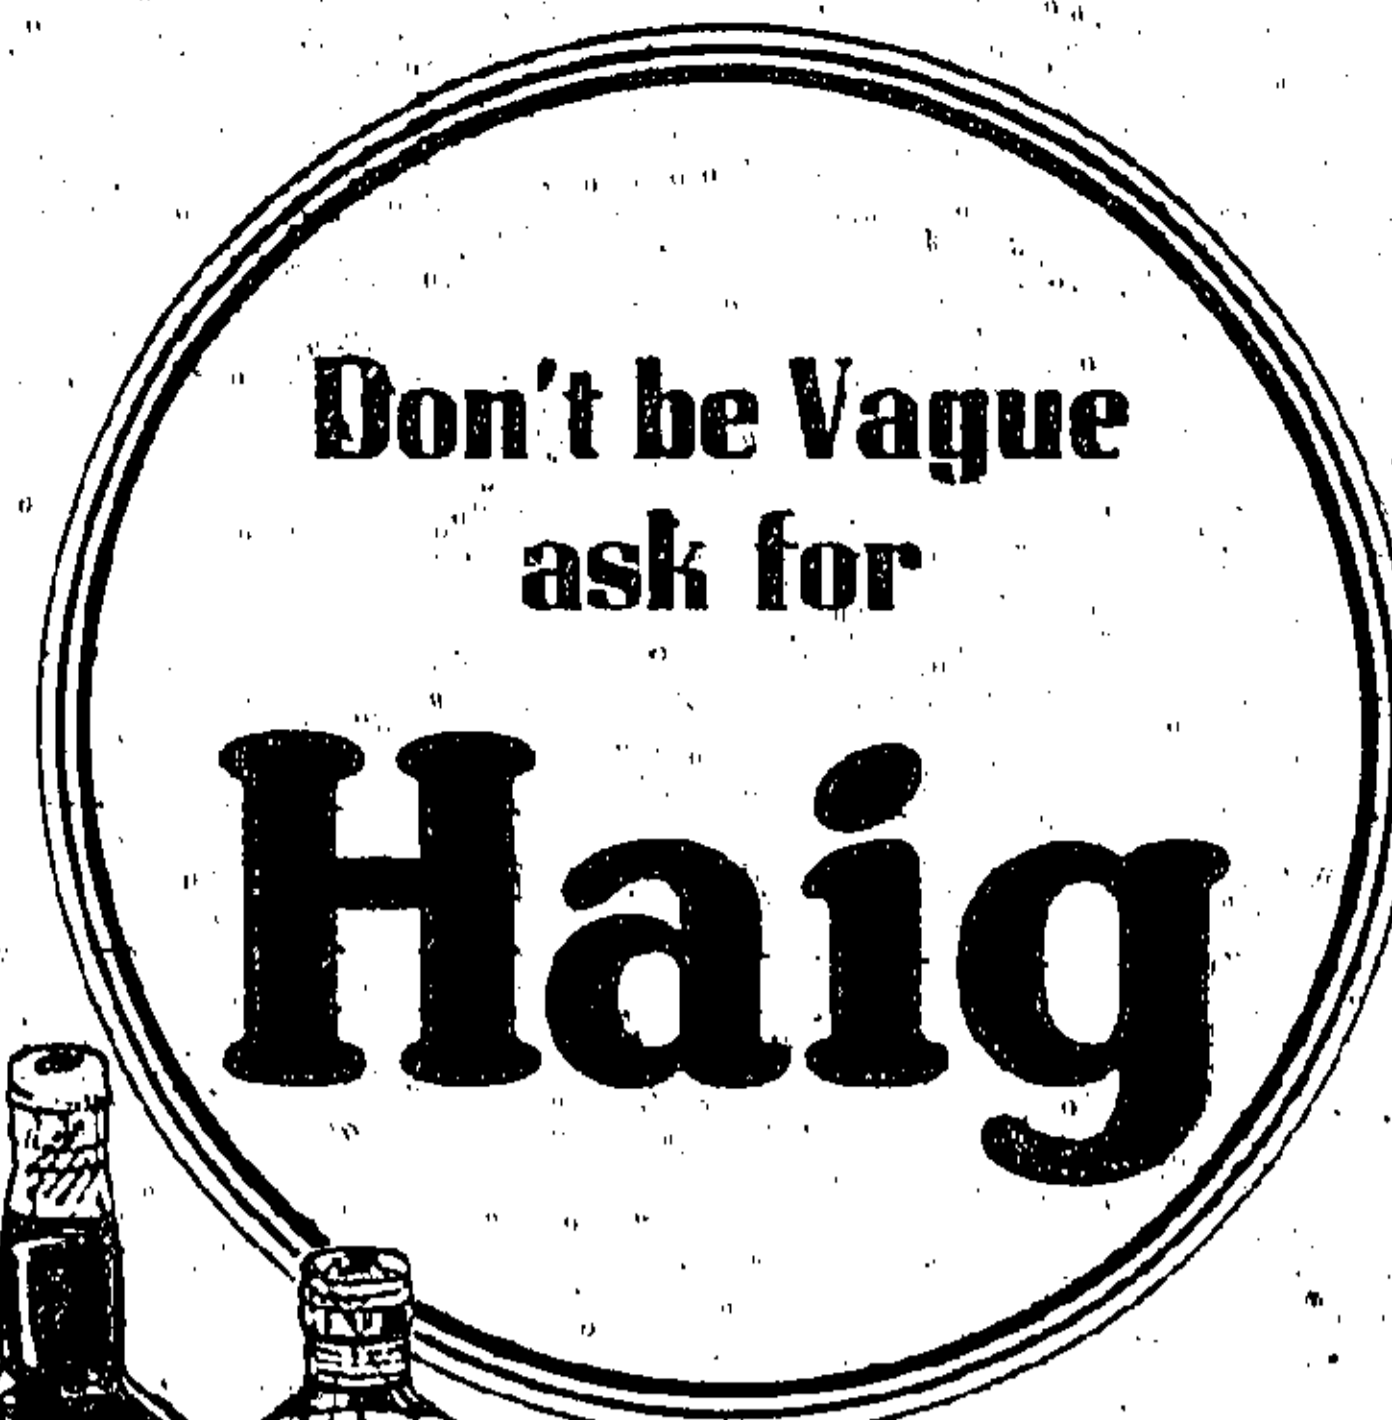

#### UP TO THE HURLERS

In comparison, there appears to be little difference on paper of the two aggregations, and the final result will probably depend on the two hurlers, Mary Louie and Therese Noronha.

The complete squads are, as follows:—

CHINA: Mary Louie, Dot Louie, Lily Mar, Jean Lee, Mabel Louie, May Chung, Gloria Mar, Doris Mar, Paula Chan, Mary Mar, Ullan Khoo, Rose Louie, Ada Chang and Bella Mao.

PORTUGAL: Therese Noronha, Cynthia Motta, Irene Pereira, Thelma Motta, Celeste Marques.

I am given to understand that Margaret Oliveira will be seen patrolling the centre garden instead of at her regular position at the

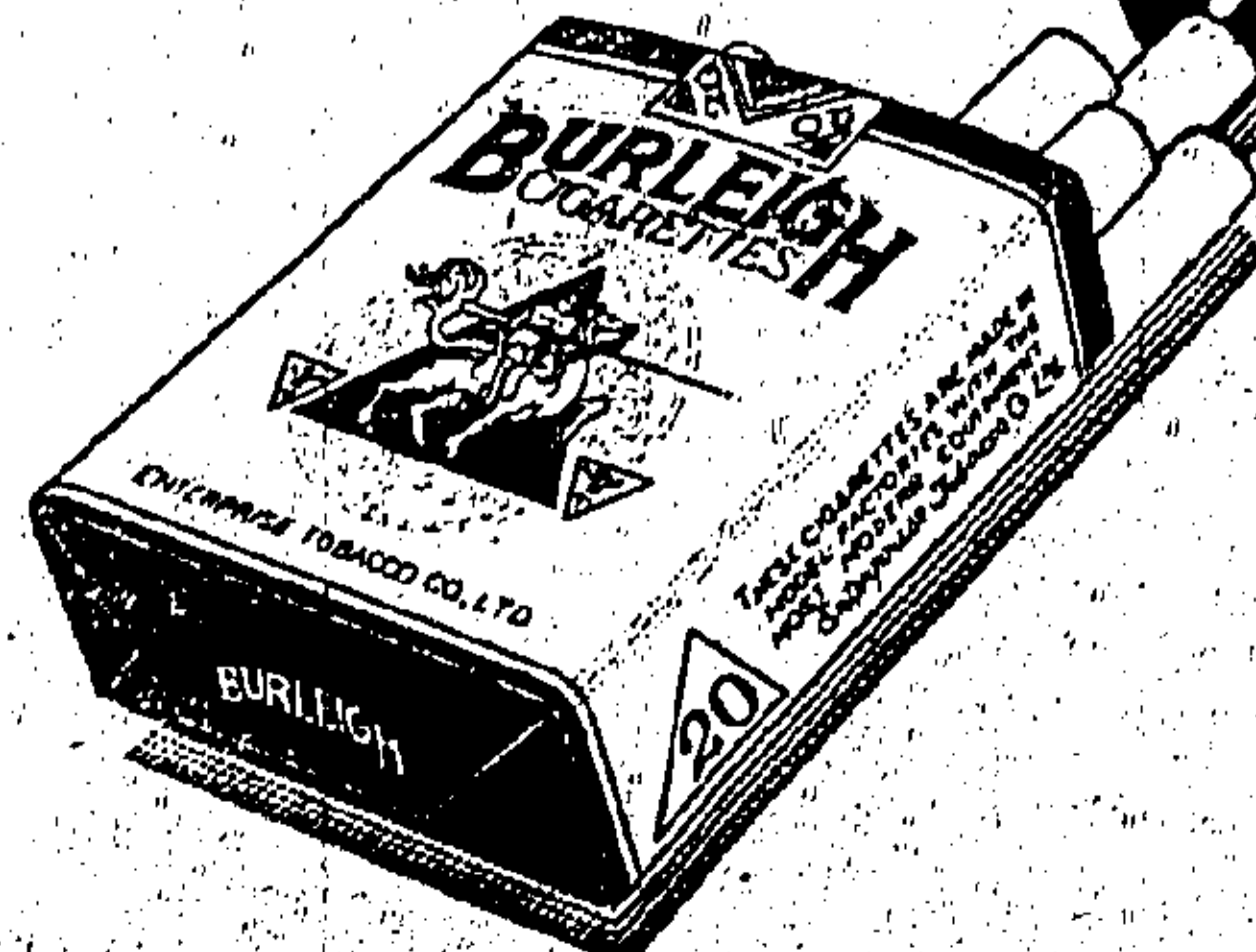

Windy Alley: Against a hard hitting squad, as the Chinese are conceded to be, Margaret will be invaluable in the pastures but, even so, the change appears to be a very bold experiment.

### FINE FILM AT MAJESTIC

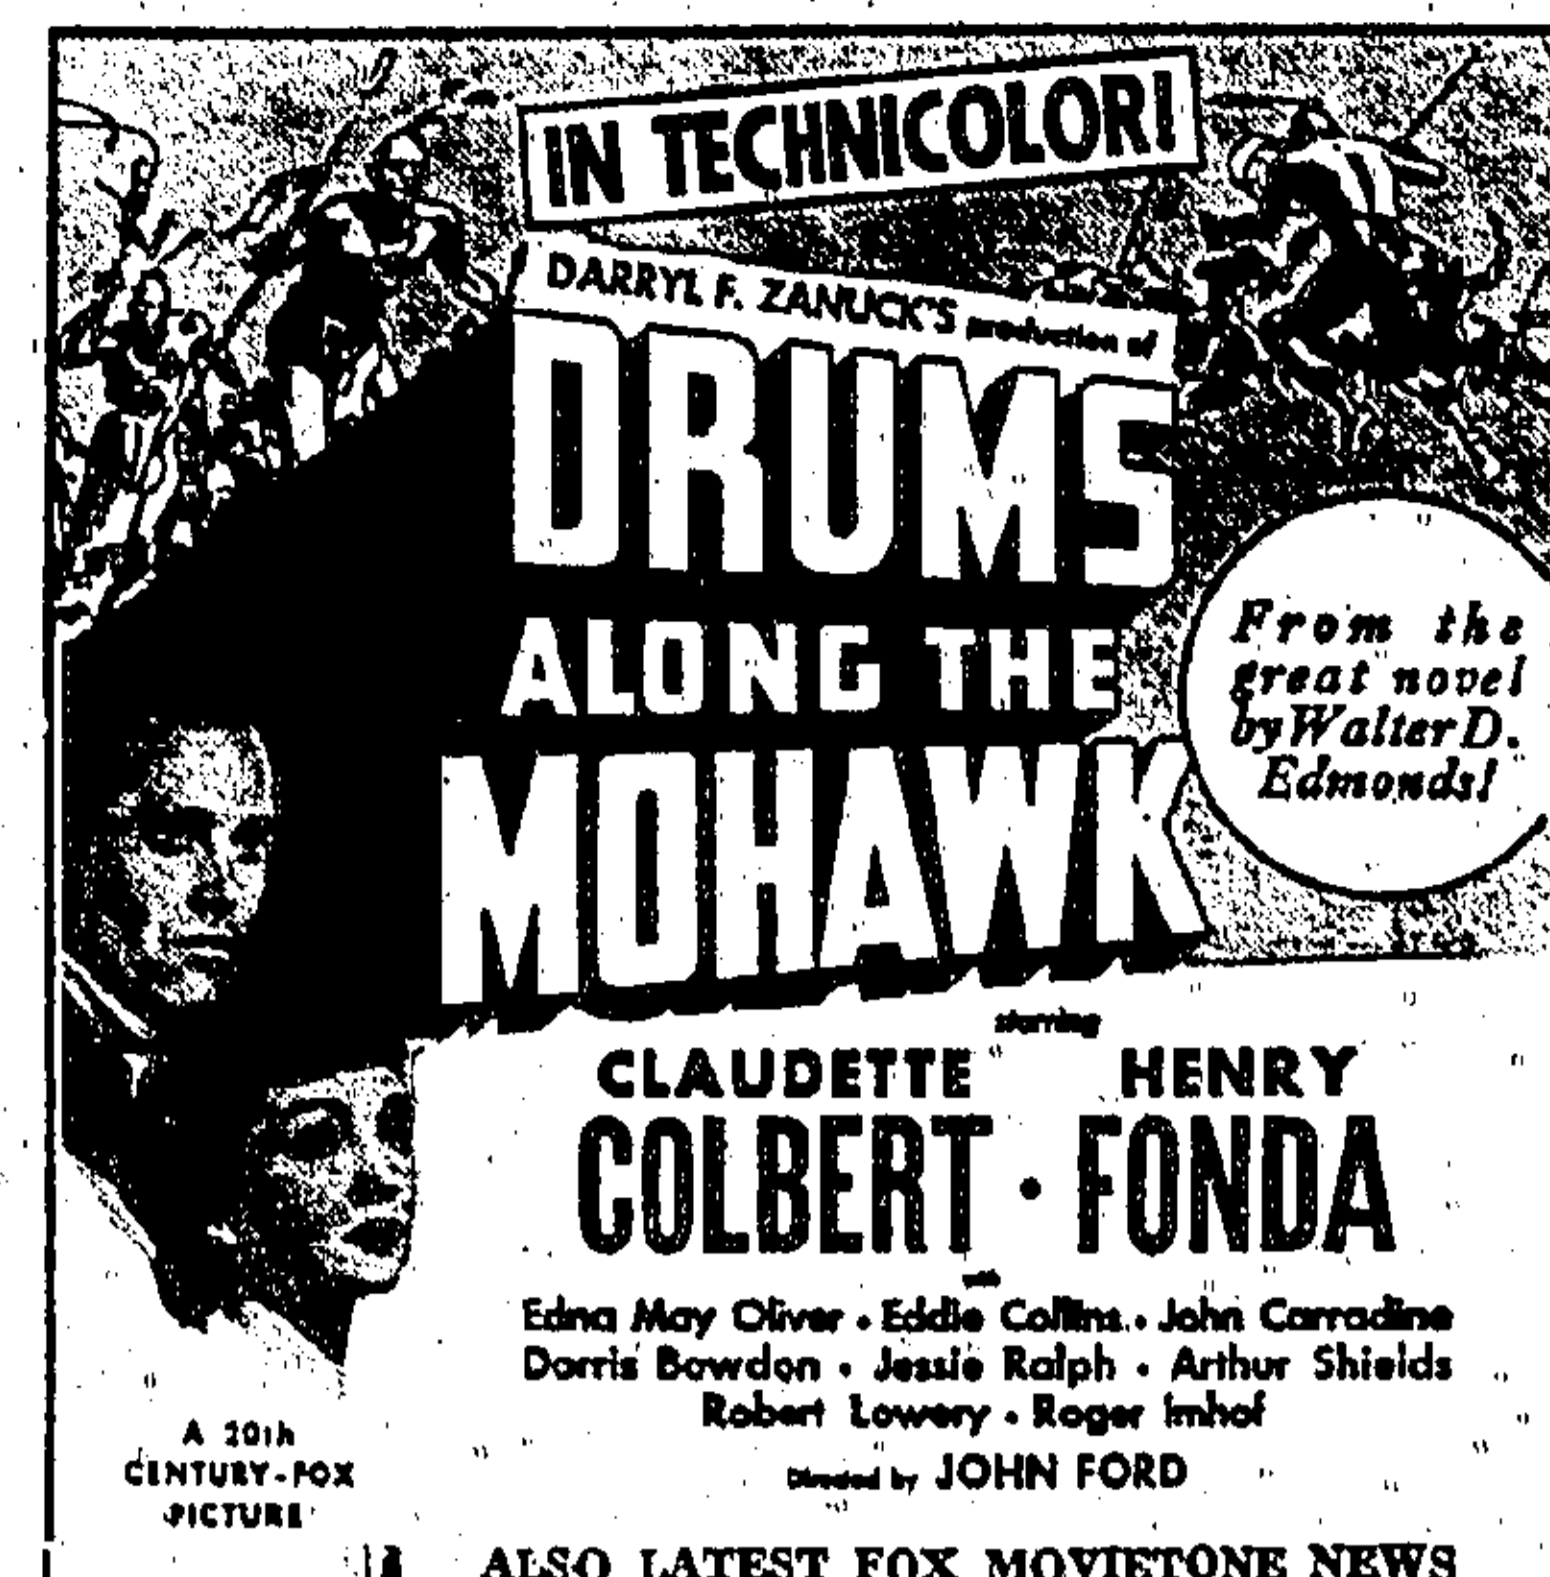

All the charm, all the humour, all the pathos, all the simple, human and folksy quality of last year's memorable "Four Daughters" have been recaptured by Warner Bros. in "Daughters Courageous," which opens tomorrow at the Majestic Theatre.

To make the parallel still closer between the two pictures, every member of the cast of the first has a role of equal importance in the new one. The feminine contingent again includes the "Four Daughters," Priscilla, Rosemary and Lola Lane, and Gale Page. Fay Bainter, that supreme character actress, has been added to the original cast as the girls' mother, and a very welcome addition she is. May Robson is again cast as the crochety, lovable old family landlady. The male roles are in the capable hands of John Garfield, Jeffrey Lynn, Claude Rains, Frank McHugh and Dick Foran, with the ever-reliable Donald Crisp as a newcomer to the many-daughtered family.

## Chinese Successes On The Kwangsi Front

CHUNGKING, April 12 (Central).—The latest developments on the north Kwangsi and south Kwangsi fronts were reviewed by a Chinese military spokesman in an interview with the Central News yesterday.

In north Kwangsi, the spokesman said, the Chinese launched on April 4, a general attack with Nanchang as the objective. The Japanese broke the dyke south of Nanchang to checkmate the Chinese advance but the swift movements of the Chinese troops made their effort fruitless.

Closing in from several directions, the Chinese recaptured more than twenty vantage points along the outer defence lines of Nanchang in two days, and on April 8 and 9 wrested back Fenghsin and Tsingan, respectively 23 miles west and 30 miles north-west of Nanchang.

Pursuing the enemy, they reached the outskirts of Nanchang, where severe fighting is in progress, the spokesman said.

In south Kwangsi the Japanese started a westward drive from Nanning on April 1. They crossed over to the north bank of the Tso River on April 5, and forced their way to Tungchen and Tsohsien on April 7.

According to pre-arranged plans the Chinese attacked the invaders in the hilly triangular land between the Tso River and the Yu River. Realising that they had fallen into a trap, the Japanese put up a stiff fight.

On April 8, the spokesman stated, the Japanese lines were shattered. They started to retreat eastward. Of 5,400 Japanese fewer than 3,000 re-crossed the Tso River.

The spokesman recalled that this was the third major Japanese drive in south Kwangsi which had failed, the first being a northward drive from Nanning to Pinyang and the second an eastward drive to Lingshan.

## Holland Is Anxious

### WHAT WILL NAZIS DO NEXT?

LONDON, Apr. 12 (Reuter).—The Low Countries are fully on the quiver. In Holland anxiety over Germany's latest invasion has grown no less. New defence measures were ordered on Wednesday night and troops are taking up defence positions everywhere.

Belgium is equally determined. A communiqué issued following the Cabinet meeting on Wednesday reaffirms the country's independence and neutrality.

Military leave has been cancelled but it is denied that there is any question of general mobilization.

## PUPPETS GET THEIR DESERTS

CHUNGKING, Apr. 12 (Central).—Puppets of the bogus Wang Ching-wei regime are finding their life in Nanking none too pleasant, according to a Shanghai report, quoting arrivals from Nanking.

It is stated that on April 8 the car in which Chen Kung-po, "president of the Legislative Yuan," was riding to his office overtook a car carrying a Japanese army officer. The latter stopped Chen's car and slapped his chauffeur in the face.

On the same day, the wives of Chow Fu-hai and Mei Sze-ping, respectively puppet Minister of Finance and Minister of Industry and Commerce, were searched by Japanese gendarmes while visiting the Sun Yat-sen Mausoleum.

## DR. J. L. STUART ON VISIT HERE

Dr. J. Leighton Stuart, President of the Yenching University in Peking, who arrived in Hongkong on Wednesday after an extensive tour to the southwestern provinces of China, will be entertained at a dinner party given by the Yenching Alumni Association at the Ying King Restaurant at 5:30 p.m. today.

Dr. Stuart came here to attend the annual conference of the China Foundation for the Promotion of Education and Culture which will open on April 15.

## GURKHA LOSSES

LONDON, April 12 (Reuter).—It is learned that all but 14 of the crew of the destroyer Gurkha, reported to in Mr. Churchill's speech, were rescued.

## They Expected "Austria"

### BUT WERE GIVEN "BELGIUM"

PARIS, Apr. 12 (Reuter).—The French Premier, M. Reynaud, speaking in the Chamber, said that 22 ships were at the bottom of the ocean of which 18 were German and four British. No French vessels were lost.

M. Reynaud declared that Germany's initial tactical success proved an immense strategic blunder. The iron ore route was, and would remain, cut for Germany. The British Navy lost four destroyers while the German Navy lost four cruisers, representing one-tenth of its total fleet, one submarine, one destroyer and 12 troop transports.

"Germany, who need steel to attack us, now presents us with a picture of a sortie by a beleaguered garrison. After leaping on Denmark, she hurled herself at Norway believing that she will not meet more resistance than from Austria in 1938. Instead she met with the resistance of Belgium of 1914."

At this point the whole Chamber rose and applauded.

Returning to the naval aspect, M. Reynaud said that there is no example in history of operations undertaken with a decisive naval inferiority which had not ended in defeat.

The French squadrons and Polish warships were participating alongside the British fleet, he revealed.

## KING KAAKON IN ELVERUM

LONDON, April 12 (Reuter).—Unconfirmed reports state that the Norwegian Government is now in a town north-east of Elverum, 10 miles from the Swedish border and that King Haakon is still in Elverum.

## DORNIER BROUGHT DOWN

LONDON, April 12 (Reuter).—It is learned that a Dornier flying-boat was shot down in 35 seconds by a R.A.F. Coastal Command plane in the North Sea yesterday.

## GERMAN NEWS NOT TRUE

STOCKHOLM, Apr. 12 (Reuter).—Another official announcement states:

"The Government, at its new seat, has organised the administration of the State. Loyal officials should await orders. Mobilisation continues according to plan."

"Announcements on the Oslo Radio, which is now in German hands, that mobilisation has been revoked, are false."

SOLUTION ON MONDAY

## Champion Of The Small Neutrals

### DUTCH TRIBUTE TO BRITAIN

AMSTERDAM, April 12 (Reuter).—Reports of the great naval battles off the Norwegian coast have created a high state of excitement in Holland, the general impression being that the Allies are winning notable successes.

There is widespread relief over the action of the British navy, one Dutchman remarking to Reuter that "Britain is indeed energetically fulfilling her role of champion of the small neutrals."

This feeling is reflected in the strength of the sterling which rose 20 points on the Foreign Exchange market from the previous day's rate of 6.54 gulden.

The news that Great Britain has taken steps to buy extra quantities of Dutch dairy produce has led to an increase in the prices of butter and eggs.

## No Oil In Denmark

LONDON, April 12 (Reuter).—Reports from Denmark indicate that an unhappy population is being subjected to further repressive measures by the Nazis.

The Danish people are not allowed to buy more than four days' supply of food. All private cars must be off the road by 7 p.m. and oil burning trains have been put out of service. All Danish newspapers have ceased publication.

Some 6,000 air raid wardens have been mobilised to enforce black-outs. Restrictions on private cars and the stopping of oil-burning trains cannot improve Germany's oil position because Denmark had to import so much oil to keep things going last year that she used 700,000 tons of oil.

The Allied blockade will, of course, stop further shipments, so that whatever oil Denmark now gets will have to come from Germany. Germany has, therefore, actually weakened her oil position by invading Denmark and Norway.

## QUISLING'S PART DESCRIBED

STOCKHOLM, Apr. 12 (Reuter).—An indication of how the renegade, M. Quisling, leader of the puppet government set up by the Germans in Oslo, made preparations for the German invasion is seen in the fact that while the first German troops were advancing into the country, Germans, wearing the uniform of Norwegian officers, appeared in various barracks and ordered the soldiers to return to their homes.

## GERMAN AIR LOSSES

LONDON, April 12 (Reuter).—To date the total number of German planes brought down around the coast of Britain totals 65 since the beginning of war. In addition, 15 others were so badly damaged that it is doubtful that they ever reached home.

## More Bedtime Stories

### "UNCLE GOEBBELS" CALLING!

BERLIN, Apr. 12 (Reuter).—The German public is growing increasingly anxious about what is going on, and is now being fed with comforting stories by Dr. Goebbels' Propaganda Ministry. As usual there are discrepancies.

While the Voelkischer Beobachter headlines the story that the Anglo-French Fleet has been smashed, other quarters were busy denying that any big sea battle was taking place.

All German transports, according to these sources, were crossing the Skagge Rak without interference.

Other comforting items of news include: we know where the British Fleet is but we are not saying; and the German Government is not at war with Norway.

## GERMANS LAND MORE TROOPS

BERLIN, Apr. 12 (Reuter).—The Official News Agency claims that two more British destroyers were sunk in the Naval action in the west fjord in Narvik and also claims that strong German reinforcements were landed in Oslo, Bergen and Stavanger.

## Tientsin Is Discussed

### QUESTION IN HOUSE OF COMMONS

LONDON, Apr. 12 (Reuter).—Mr. Mr. R.A. Butler, Under-Secretary of State for Foreign Affairs, replying in the House of Commons to Sir Stewart Sandeman (Con.), who asked how much longer the present state of affairs will be tolerated at Tientsin, where the Japanese blockade of the British concession has lasted nearly nine months, the resident of which are living in a state of virtual internment, their business destroyed and they themselves exposed to humiliation and insult, said that conversations for the settlement of all matters arising out of the Tientsin situation are proceeding actively in Tokyo.

Mr. Butler, replying to another question by Sir Stewart, said that, from representations made, the Japanese Government is well aware of the attitude of the British Government to restrictions on British trade and discrimination against British shipping.

With regard to general bearing on questions on improvement of Anglo-Japanese relations, Mr. Butler said that His Majesty's Government is watching the position closely.

## ANGLO-CANADIAN CONSULTATIONS

OTTAWA, April 12 (Reuter).—Mr. Mackenzie King stated that the Canadian Government were in communication with Great Britain over the situation in Greenland and Iceland, and said he anticipated communications in the subject with the United States.

The Canadian Premier added that he hoped to have a holiday in Virginia, possibly at the end of the week. He hoped to spend a day or two in Washington and might call on President Roosevelt and Mr. Cordell Hull.

## RUSSIA'S STAND

MOSCOW, April 12 (Reuter).—That Russia has fully connived at Germany's brutal invasion of Denmark and Norway is the conclusion to be drawn from a broadcast by Radio Moscow of a lengthy article appearing in the paper, Izvestia, the official organ of the Central Executive Committee of the U.S.S.R.

The article, which is "pro" Germany, leaves Russia where she was before, showing that she has no more disposition than before to run any risk for German interests.

## Oranges And Malaria

Recently an American citrus expert visited Palestine.

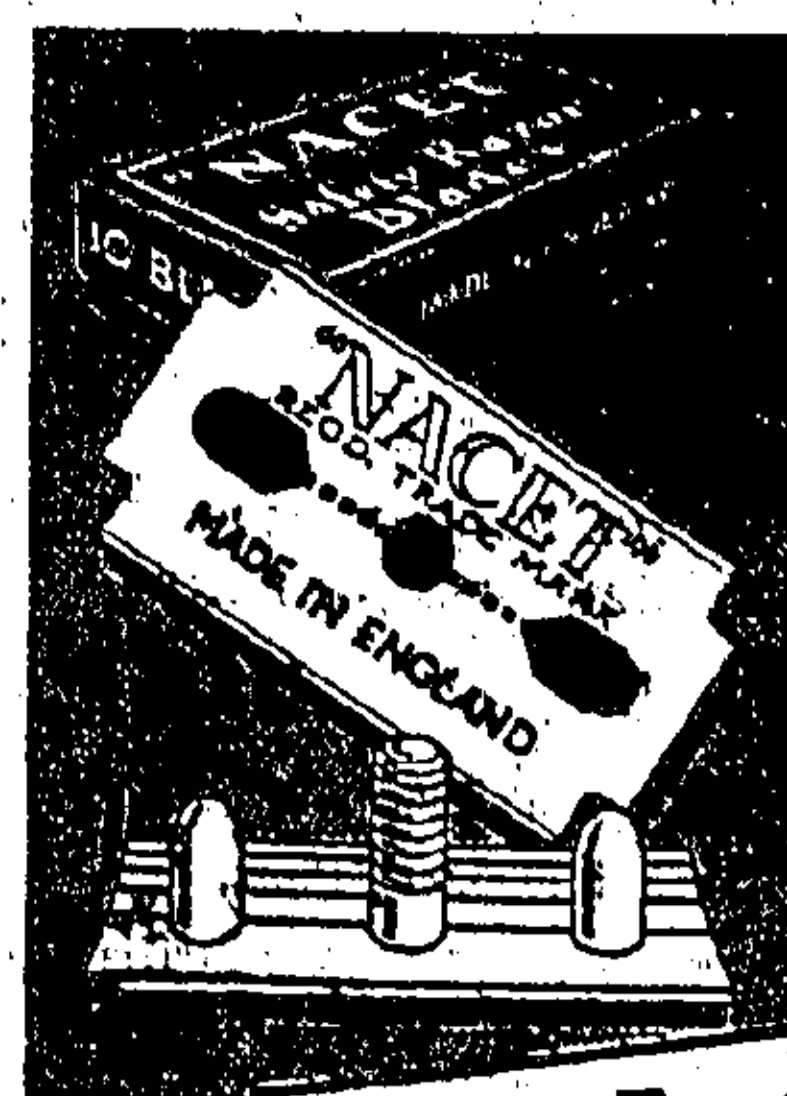

He went there to study just one thing—the citrus groves. Palestine, next to the U.S.A., is the greatest orange-growing region in the world. All of these millions of orange trees are owned and were planted by Jews, which upsets one's notions that they never were an agricultural people.

All the groves are irrigated and huge waterworks systems have been developed to take care of an industry that would thrive in any case, but has thrived lately beyond all expectation due to the civil war in Spain.

### BREEDING GROUNDS

Cultural methods equal those of California, and only a quite extraneous factor can interfere with lasting success. That is malaria. This scourge of the Tropics is normally pretty bad in Palestine, but its hazard has been increased by the tremendous increase of breeding grounds for mosquitoes for which the irrigation ditches are ideal. The water cannot be oiled or poisoned because of danger to the trees.

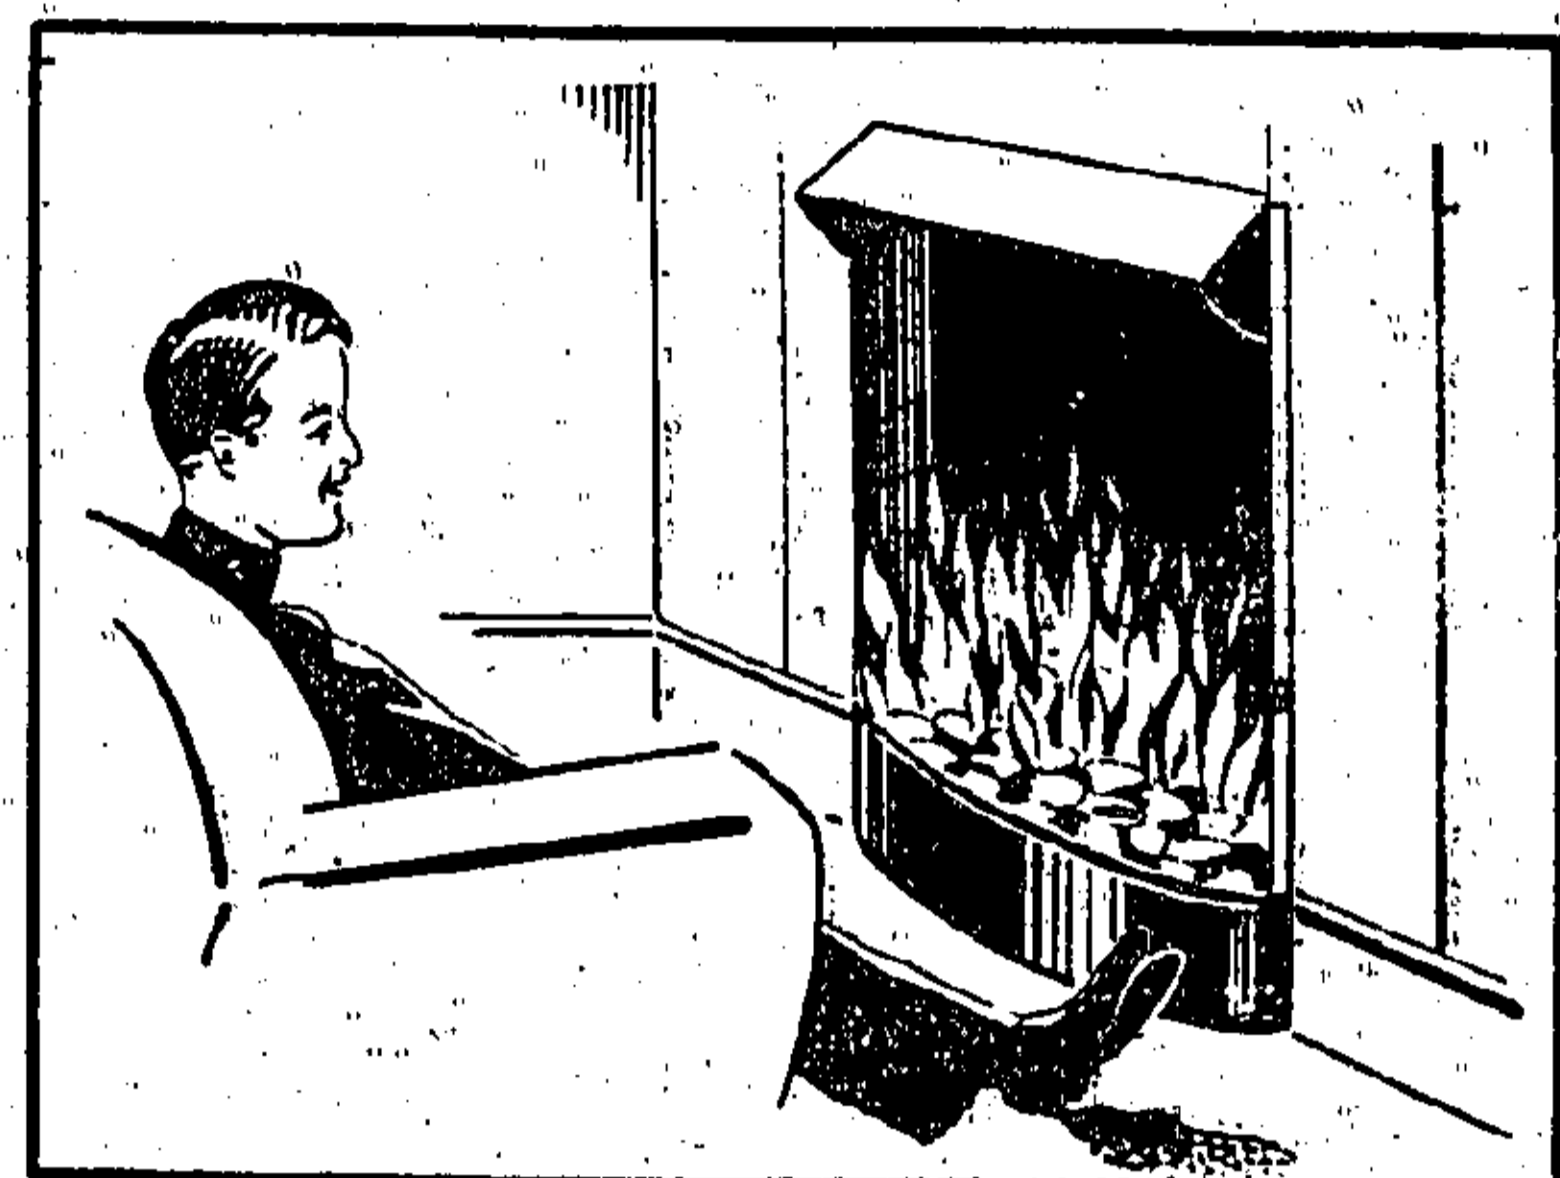

The Jews have met this problem in the only effective way it can be met, by quinine prophylaxis or treatment. Our American citrus expert has no fear that malaria will kill Palestine orange growing, for the Jews follow the quinine programme from the League's Malaria Commission from Geneva by giving six grains a day, as a preventive, to field workers. And if any do come down with malaria a daily quinine dose of 15 to 18 grains for 5 to 7 days will cure them. On page 125 of its report, issued in 1938, this Malaria Commission stresses the fact that among the anti-malarial drugs, quinine still ranks first in current practice, by reason of its clinical effectiveness and almost complete absence of toxicity, coupled with the widespread knowledge of its use and dosage.

## TEACHERS' TRAINING COLLEGE STUDENTS' ASSN. INAUGURATED

REMINING HIS LISTENERS OF HIS EXCELLENCY THE GOVERNOR'S WORDS that a teachers' training college was the essential foundation of education in any country—Hongkong as much as anywhere else—Mr. T. R. Rowell, B.Sc., Dip. Ed., Principal of the newly-formed Teachers' Training College, addressed his pupils at the inauguration of their Students' Association at the old Government Civil Hospital yesterday afternoon.

Mr. Rowell added that it was largely due to His Excellency's interest in education in Hongkong that the training college came into existence.

Mr. W. W. Lee presided and outlined briefly the aims and objects of the Teachers' Training College Students' Association. He was followed by Mr. H. C. Lee who commented on the work of the previous term and emphasised the need for closer co-operation among education bodies in the Colony.

Mr. C. H. Cheng and Miss K. T. Lai spoke on behalf of the vernacular section.

### PRINCIPAL'S ADDRESS

In the course of his address, Mr. Rowell said:—

You students have the distinction of being the first members of the College and I cannot impress upon you too strongly how much depends upon you.

I am glad to see that you are not only considering yourselves but also those who, in future, will be carrying on your work. Much has been written lately on school and society, school and social training, education for citizenship and the like. You all know that my view is that little is accomplished by continually "preaching" at children on social or moral problems. It may and often does, by contra suggestion, defeat its own object.

### VALUABLE IDEAS

The Association you have inaugurated today, judging from the programme of future events your committee has drawn up, will give you valuable ideas as to how far social training and training for citizenship can be carried out among yourselves. These ideas I hope you will carry with you to the schools in which you will teach in the future, and put them into effect among your pupils.

There are many student associations but the most successful and flourishing are those which confine their attention to the promotion of educational thought among themselves and similar associations.

I expect you to run your Association yourselves and although you have made me President and my colleague, Mr. Cheng Chen-huan, advisers to your Association I wish it to be understood that we are here in an advisory capacity as far as the Association is concerned. It is part of your training as teachers to be able to run your own association successfully.

No doubt many of you would have preferred a bigger function for this inauguration and your committee deliberated many hours on the question but decided that it should be held in the temporary premises of the College.

### NEW PREMISES

As you can see, there would not have been room for a larger meeting than this one. I am happy

to be able to tell you that the new premises have been started and should be ready for occupation about the end of the year. When that is opened we shall be able to have a function on a larger scale.

Although this has already been done, I should like to express my thanks to the original temporary committee under the Chairmanship of Mr. Hilary Lee, which did so much of the spade work leading up to the formation of your association.

In Mr. Li Woon-wah, your chairman, you have a man with experience in other spheres besides teaching and I think you have chosen wisely. I hope you will give him and his committee that whole hearted co-operation and assistance which is necessary for the successful working of the Association. I wish your Association every success both now and in the future.

### VARIETY ENTERTAINMENT

A variety programme of entertainment followed, which included group singing by the T.T.C. Choir, a piano solo by Mr. Rowell, a short play entitled "An Escape" by Misses M. Y. Wong and Y. K. Chan (Vern. Class) and a violin solo by Mr. C. H. Chen.

Following another short play, entitled "Ideal Class," by the Anglo-Chinese class, Miss L. S. Loo rendered a piano solo, and Miss M. Y. Loo a violin solo. A dialogue, entitled "Sheung Wong" by Messrs. N. N. Tsai and W. W. Lee brought to a close a very successful function.

## ROBBERY AND WOUNDING

### Kowloon Court Hearing

Committal proceedings were commenced at Kowloon Court yesterday, before Mr. Q. A. A. Macfadyen, against Chan Tak, 32, charged with having entered the ground floor of No. 95, Temple Street, and stolen \$111 and a cotton shirt, and with wounding a fook, named Chan Chun-chiu, with a chopper with intent to resist arrest.

Det. Sgt. Johnston, prosecuting, said that about 4 a.m. defendant was alleged to have entered the floor by the kitchen door. One of the fooks, awakened by the intruder, saw a figure pass by him in the dark and waited a second time and then caught hold of him. In the ensuing fight the fook, Chan Chun-chiu, was wounded.

By that time another fook had switched on the light, after which he grappled with defendant assisted by other fooks who had also been awakened.

Hearing of the case was adjourned.

### SMALL CRAFT ATTACKS

The following communique, in connection with the Combined Operations, was issued by the Military authorities yesterday:—

During the night further attacks were made by small craft along to south shore and were repulsed.

An attack to exercise the inner line of defences was again carried out. The enemy having failed to establish himself in any tenable position by daylight there was no occasion for counter attack. The exercise was therefore concluded at 7 a.m.

Mr. R. E. Turnbull, of the Malayan Civil Service, who was British Resident of Brunei, has been appointed Colonial Secretary of British Honduras.

## BLACKSMITH SHOPS IN CLAIMS

Six blacksmith shops in Third Street, Salingun, figured as defendants in claims for possession of premises brought before Mr. Justice R. E. Lindsell in the Summary Court yesterday morning.

Mr. M. W. Lo, who acted for the landlords concerned, said the Land Officer had intimated that renewal of the Crown Lease would not be made unless the blacksmith businesses ceased. It seemed that there were blacksmiths in the whole of Third Street and he understood that representations had been made to Government by a school with regard to the noise.

Mr. Lo said that in one case his client did not mind defendant remaining in the premises.

Adjourning a case for a week His Lordship said to Mr. Lo:—

"Tell the Land Officer that it is the opinion of the Court that it is rather unfair either to turn these people out under a month at any rate, or to make the landlord suffer in respect of the Crown Lease if they stay on after another month."

## REVENUE OFFICER ACCUSED

### ALLEGED ASSAULT ON WOMAN

Chinese Revenue Officer Wong Fook, was summoned before Mr. T. J. Houston at the Central Court yesterday for assaulting a married woman, Chan Ying, on Feb. 19.

Mr. D. McCallum appeared for the prosecution, while Mr. J. P. Murphy, Assistant Crown Solicitor, was for the defence.

Chan Ying told the Court that about 7 p.m. on the day in question, the defendant entered her house with a European officer. After searching her husband, the defendant struck her a blow in the eye.

### MEDICAL EVIDENCE

Dr. A. Hargreaves and Dr. T. K. Lien, of the Queen Mary Hospital, both testified that the injuries to complainant's eye could have been caused by a fist. They agreed that the injuries were more likely to have been caused by a sharp instrument.

Dr. Lien also said that he performed an operation on the complainant's eye and had her eye ball taken out. It was ruptured.

Following further evidence, the hearing was adjourned.

### FORTHCOMING ART EXHIBITION

Mr. Luis Chan, who is well-known to readers, is now busily preparing his 5th One-Man Exhibition which will take place early next month.

It will be recalled that Mr. Chan was the first local artist to hold a one-man show in 1935, since when he presented one in each subsequent year, until last year, when, owing to being busily engaged in writing a book on Chinese art, he was unable to do so.

Among those who collected Mr. Chan's works are M. Marcello Fernandez-Anchorena of Paris, His Excellency Sir Geoffrey Northcote, K.C.M.G., Lady Shenton, Sir Venderdale Grayburn, Mr. Crapnell, Mrs. Smith-Wright, Miss Flower, Miss Hasler, Rev. J. L. Wilson, Mrs. K. Oram, Mr. P. Chessex, Rev. M. W. Baines, Mrs. J. Murphy, Rev. J. T. B. Evans and a host of others.

Mr. Chan is Vice-President of the Hongkong Working Artists' Guild and he together with Mrs. A. N. Macfadyen—are responsible for maintaining the Guild properly and efficiently.

SWATOW CHINESE KEEP  
UP HIGH SPIRITS

SHIUKWAN, April 12 (Central)—The morale of the Chinese forces and civilians in the Chaochow-Swatow area remains high despite its occupation by the Japanese for almost a year, according to Mr. Liu Hou-wu, Supervisory Commissioner for Kwangtung and Kwangsi, who has just returned from a one-month tour in eastern Kwangtung.

Few Chinese, Mr. Liu said, are serving as puppets, and though there are a few bogus organisations, they are not at all popular. The high Chinese morale is sustained largely through political work done by Chinese youths and village and county chiefs have been summoned and subjected to wartime training.

## JAPANESE NOT TRUSTED

The Japanese at Chaochow and Swatow send out "pacification corps" to the countryside distributing medicine and candy and inducing the civilians to return. However, only a few people trust them.

The Japanese are dumping their goods labelled with false Chinese trademarks and collecting

Chinese rice, copper, iron and other minerals.

There is now a shortage of rice in eastern Kwangtung. Measures of relief are being taken by the Chinese authorities. Hoarding and manipulation of the price are strictly prohibited.

Since the Japanese invasion, trade in eastern Kwangtung has suffered a heavy slump. Increased remittances from overseas Chinese recently have relieved the economic plight to some extent.

STOCKHOLM, April 12 (Reuters)—According to Marsbrand reports, more German warships and some transports which escaped in yesterday's naval battle have reached Oslo fjord.

## STIRRING DAYS

STIRRING DAYS these for the whole world and particularly for the millions of British and French subjects scattered throughout the empires of these two great democratic countries. Events of far-reaching magnitude are taking place in the war zones of Europe, which have been extended during the past five days by fresh Teutonic frightfulness—a planned campaign against all the laws of civilisation. While the early advantage to Germany of her ravage of Denmark appeared for a moment to increase anxiety in European political quarters, the resistance she is now meeting in her move against Norway has been completely reassuring. True the real position on the Norwegian battlefield is still somewhat obscure. Details are lacking of the results hitherto achieved in the naval engagements raging off Norway's picturesque fjord-dented coasts, the land operations, in which the Allies are fighting shoulder to shoulder with the Norwegian forces, and the aerial warfare, unprecedented in history, which is taking place between the Nazi and Allied air strengths.

THE ROAR AND THUNDER of the battle, however, continue, while conflicting reports pour in to further confuse the position. Even Britain's "War Dictator" as the Nazis have dubbed him (they hate him because they fear Mr. Churchill) was not in a position to give the House of Commons full details of the operations which were commenced against the Nazis consequent on their aggression in Denmark and Norway. One outstanding fact has, however, emerged from what has become known to the world and that is that the Allied arms have scored the first round against Nazi might. This can, then, be accepted as indicating that when the final account is delivered to the waiting world, the Allies will show that the Nazi plans of world domination have received a shattering blow and that the Allied arms will continue the struggle until the menace of Nazism is completely destroyed.

THE MOST IMPORTANT item of news in the operations now being carried out in and around Norway is that British forces have been successfully landed in the neighbourhood of Narvik and Oslo, with the object of linking up with the now much-hardened Norwegians. The advantage of this manoeuvre is definite. With Bergen again reported to be in Norwegian hands and the possible reoccupation of Trondheim by joint Allied and Norwegian forces (both these towns were prematurely reported to have been recaptured on Wednesday), Herr Hitler's plans for a quick finish to his Scandinavian adventure appear to be doomed to dismal failure. It is too early, however, to be able to say with any degree of accuracy in what direction the Allied plans of offensive are maturing and the developments in the next few days should provide a fuller picture of the manner in which the Allied moves are being conducted to a successful conclusion.

Big Win For  
ForeignersSHANGHAI POLL  
RESULTS

SHANGHAI, April 12 (Reuters)—The Japanese lost the election yesterday by a big majority. The Japanese were "snowed under" as the British and American voters turned out en masse and elected seven of the approved British and American candidates by big majorities.

The Japanese gained the usual two seats on the Municipal Council instead of the five which they had hoped to win.

Final results of the elections were:—  
N. F. Allman (8,000); W. J. Carney (7,998); W. J. Keswick (7,883); G. A. Haley (7,869); T. S. Powell (7,860); Roderick G. MacDonald (7,831); C. S. Mitchell (7,830); Y. Hanawa (Japanese, 5,211); N. Den (Japanese, 5,205).

The unsuccessful candidates were:—  
I. Okamoto (Japanese 5,203); K. Kuroda (Japanese, 5,188); O. Okamoto (Japanese, 5,187); Ronald G. MacDonald (British, 3,251).

The total number of votes registered were 13,098 of which 98 were declared invalid.

SHANGHAI ELECTION  
RESULTS

SHANGHAI, Apr. 12 (Reuters)—In the election here, the "status quo" is maintained.

All the Anglo-American camp candidates were returned with a record vote of 13,098.

AMERICANS DEEPLY  
IMPRESSED

WASHINGTON, April 12 (Reuters)—The broadcast of Mr. Churchill's speech impressed Americans by the frank enumeration of British losses and has created an excellent impression. From his restrained description of the naval action in Scandinavia the public infers that events have developed favourably for the Allies, and that Hitler has made a serious strategic error in invading Norway.

A message from Ottawa states that Mr. Churchill's speech thrilled and cheered the Canadians who felt it has greatly cleared up the situation.

plans of mice and men "gang off a-glee" when the results of the City Municipal Council elections were announced yesterday. Despite a vigorous and none-too-honest drive to ensure Nippon's representatives securing five seats at the debating table of that august body of city fathers, a well organised mass-roll-up of American and British voters proved too sound an opposition for the potential Japanese representatives and election day ended in their woeful defeat in what is described as a veritable election landslide, Nippon's candidates only being able to retain their usual two seats on the Council.

THIS ATTEMPT by the Japanese to obtain wider authority in Shanghai's civic administration was viewed with considerable uneasiness by all nationals in the commercial hub of the East. Success for the Japanese plan would have placed the city in a parlous position insofar as the liberties of foreign nationals were concerned, apart from the fact that social conditions might have deteriorated into an intolerable situation.

WHILE RELIEF is now felt that the Japanese have been prevented from trying to rule the municipal roost in Shanghai, knowing the petulance of the sons of Nippon when compelled to acknowledge defeat, fears have arisen that their vindictiveness might find an outlet in other directions in Shanghai and that this might add to the difficulties under which both foreign and Chinese nationals are compelled to exist in that city. With a solid front of American and British representatives in the Council, however, there need be no anxiety that the Japanese will be able to have things entirely their own way to the disadvantage of those who have interests to protect and safeguard in Shanghai.

Win Trophy

A SMART DISPLAY of squad drill was given by three contingents of the Hongkong Police Reserve at the Police Headquarters yesterday afternoon.

They were the Emergency Unit, the Chinese, and the Indian Companies, competing for the Squad Drill Competition Cup presented by Mr. O. Eager, Deputy Superintendent of Police Reserve.

The Emergency Unit won following the Chinese and Indian Companies, respectively.

The judges were the Hon. Mr. T. H. King, Commissioner of Police, Lt.-Col. E. J. A. Mitchell, O. B. E., H. K. V. D. C. and Mr. R. H. E. Marks, A. S. P.

## EXCELLENT DISPLAY

Presenting the award to the winners, the Commissioner congratulated them and mentioned that their drill display was excellent, if not better than the regular Police Force. He commented on Sub-Inspector M. A. de Souza's fine work as instructor. Mr. King also thanked Mr. Eager for his donation of the trophy and remarked that the generous act showed Mr. Eager's keenness and enthusiasm in the work of the Police Reserve.

It is learned that the Governor of Faro Islands welcomed the action taken by Great Britain to assure the safety of the inhabitants.

Asked whether the Danes would be regarded as Icelanders for the duration of the war owing to the constitutional link between Iceland and Denmark, a London spokesman said that in any event all Danes would be treated with great sympathy in England.

## COURAGE AND DASH

NEW YORK, Apr. 12 (Reuters)—The counter-attack has been begun with courage and dash and with full realisation of the critical importance of the issue," writes the New York Times.

Recalling the premature release of news of the Battle of Jutland in the last war, the paper says that the Admiralty is wise not to reveal all the facts at present.

The paper adds: "But the validity of two facts is now established beyond question. Firstly, with splendid courage Norway has mustered her small army in a desperate effort at resistance and, secondly, the British Fleet has struck with promptness and power."

## COMPLETE SILENCE

Special to H.K. Daily Press  
STOCKHOLM, Apr. 12 (Havas)—Information from Germany stated that the authorities are maintaining a complete silence on the Skagerrak battle.

General sentiment is that a German failure in Scandinavia will make a paramount impression on the general conduct of the war.

STOCKHOLM, Apr. 12 (Havas)—The little towns of Elverum and Hamar are still in Norwegian hands but fierce fighting is going on around these cities.

NAVAL LOSSES  
COMPARED

LONDON, April 12 (Reuters)—While an accurate comparison between the British and German losses in this week's naval battles is impossible at the moment, a rough calculation bears out Mr. Churchill's opinion that the "German fleet is crippled in some important respects."

The Germans have lost four cruisers out of the pre-war strength of eight, three destroyers and possibly two or three others out of thirty, several submarines and about a dozen supplyships, while a German battleship, cruiser and several destroyers were damaged.

The British, lost four destroyers out of a pre-war strength of about 160 while two British destroyers and a battle-cruiser were damaged, the latter slightly.

Attractive Programme  
This Afternoon

This week-end will be a busy and an interesting one for both the Ladies' Hockey League and the Hockey Association Tournament, and three of the best matches of the season can be looked forward to.

This afternoon, two matches will be played on the "Y" ground, King's Park. The Caer Clark Cup champions, "Y" Ladies, will meet the Rest, bully-off at 3 p.m., and the Brawn Cup champions, the Argonauts, will play the Rest at 4.15 p.m.

"Y" Ladies will be playing without Mrs. Burnett or Miss K. M. Pocock, but will otherwise be at full strength, and particularly strong in the defence with the return of Mrs. Dudley, who, as Miss Anne Fowler, played regularly for "Y" Ladies at full back for several seasons.

The Champions' forward line will be weak in the absence of Mrs. Sybil Groundwater, who has left for Australia. Mrs. Macklin will play in her position at inside-left, while Mrs. V. Fowler will be seen in Mrs. O. Burnett's place at right-wing.

## MRS. WHITE

The Rest team is particularly strong and recognition has been accorded Mrs. M. White, formerly a good forward and now considered an even better back, and Miss S. Rousseau, the diminutive C.B.S. right-half, who will play in that position.

A surprise selection for the centre-forward berth was Miss Shand, the C.B.S. captain, who will be in an unaccustomed position after playing throughout the past season at inside-left. However, Miss Shand is a worthy leader and should prove a wise selection.

## THE TEAMS

The teams will be:—  
"Y" LADIES: Miss C. Minoot; Mrs. I. Stone, Mrs. A. Dudley; Miss M. McCaw, Mrs. O. Starbuck and Mrs. Ashman; Mrs. V. Fowler, Miss B. Harker, Miss D. McCaw, Mrs. Macklin and Miss I. Buchanan.

THE REST: Miss D. Moss (C.B.A.); Miss G. White (St. A.) and Mrs. M. White (C.B.A.); Miss S. Rousseau (C.B.S.), Miss I. L. Woolley (C.B.A.) and Miss J. Wong (St. A.); Miss G. Marr (H.K.), Miss F. Wong (St. A.), Miss M. Shand (C.B.S.), Miss H. Reid (St. A.) and Miss C. Remedios (Rec.).

The reserves are Miss J. Hall (St. A.), Miss M. da Rosa (St. A.), Miss M. Silva (Rec.) and Miss E. Watson (C.B.S.).

The wedding took place at Holy Trinity Cathedral, Shanghai, on May 6 of Mr. Frank Ikin, only son of Mr. and Mrs. George Ikin, of Rugby, Yorkshire, and Miss Joan Louise Hodgman, only daughter of Mrs. John Murray Cuthbert of Shanghai and the late Mr. C. H. Hodgman of Tasmania Australia. Dean Trivett officiated, assisted by the Rev. E. J. Ottewill.

The remains of the late Mr. Epiphano Ignacio Siqueira were laid to rest on April 6 at the Bubbling Well Cemetery, Shanghai, in the presence of relatives and a representative gathering of the Portuguese community. Lipman.

## FIRST LORD GIVES ENGAGEMENTS TO PACKED HOUSE

The following is a continuation of the statement made in the House of Commons on Thursday by Mr. Winston Churchill, the first part of the statement having been published in yesterday's issue of the Daily Press.

LONDON, April 12 (Reuter).—"One of the destroyers of this Northern Force that went to lay the mines lost a man overboard on Sunday afternoon, and stayed behind to pick him up. This destroyer was the Glowworm and was proceeding northwards to rejoin the Force when, at eight o'clock on Monday morning, she saw first one and then two enemy destroyers which she engaged. She then reported unknown enemy ships to the north."

"These incidents came to us one by one, at intervals of a few minutes, but the last message ended abruptly and we can only conclude that the Glowworm has been sunk by the greatly superior forces of the enemy which she encountered, but there is no reason why a large proportion of her crew could not have been saved if the ordinary humanity of fighting men—which is a different thing from the humanity of the German fighting men, and which is a different thing from the humanity of the German Government—has been practised by the enemy."

### USUAL GERMAN TALES

"On Tuesday the Fleet was cruising to the south at about the level of Bergen when it was attacked continuously by German aircraft. The usual tales have been put out by the German press of several battleships and cruisers being sunk or seriously damaged, but actually only two cruisers were slightly damaged to an extent which does not interfere with their work, and they are still with the Fleet at their stations."

"One of the very heavy bombs hit the flagship Rodney, but her strong deck armour resisted the impact and she was not affected in any way by the explosion, except that four officers and three men were injured. So far as the construction of our ships was concerned, this incident must be regarded as most satisfactory (Cheers)."

"The cruiser Aurora, which was joining the Fleet, was subjected to five dive bombing attacks, all of which were pressed with courage"

and all of which failed. But the destroyer Gurkha, which was accompanying her and to some extent, escorting her, was hard hit and listed heavily. She sank after four and a half hours during which time almost all the crew were rescued, though we have not a complete list. On the same afternoon the destroyer Zulu was sunk by a German U-boat off the Orkneys."

"We were told that on their way back, our destroyers met the Ravenel, filled with reserve ammunition with which, I suppose, the enemy had intended to turn Narvik into a kind of Sebastopol or Gibraltar. This ship was blown up and we must regard that as simplifying the task which lies ahead."

### STRATEGIC ERROR

"Concluding Mr. Churchill said that in the very much smaller forces of the German Navy, the most grievous losses had already been sustained. Norwegian batteries had taken their toll."

"He considered that Hitler had committed a strategic error in extending the war so far north and forcing the Scandinavian peoples out of the their attitude of neutrality."

Mr. Churchill added that Britain had occupied the Faroe Islands, which were a strategic point of high importance. The people of Faroe Islands had shown every disposition to receive them with high regard. These islands would be handed back to Denmark at the end of the war."

The question of Iceland needed further consideration. But no German would be allowed to set foot there with impunity."

## ACCOUNT OF SEA

### SCANDINAVIAN WAR EFFECTS ON AMERICA

Havas report from Washington that one of the main effects of the Scandinavian war will be a considerable increase in the chances of President Roosevelt's third term and competent authorities are of the opinion that the foreign policy of the United States is forming one of the essential elements at the forthcoming campaign for the Presidential election.

### Leave It To The Navy

### DOUBTS NOW ALL CLEARED

LONDON, Apr. 12 (Reuter).—The rising of the House of Commons, less than an hour after Mr. Winston Churchill's 63 minutes speech, is the best indication of his personal success today, states Reuter's Lobby correspondent.

"Leave it to the Navy" summed up the views in the lobbies after the House had dispersed.

Mr. Churchill's absence of any flamboyant claim or tone, coupled with steady confidence, caused the House to settle down attentively. The unusual readiness to cheer, especially on the Opposition benches, made it speedily apparent that doubts and criticisms of the past days, that the Navy was "doing nothing" were disappearing and that the "Navy is here," in the Altmarm phrase, after all.

### NO REST FOR GERMANS

Members in the lobbies commented with satisfaction on Mr. Churchill's assurance that the Germans in Norway will be given no rest as soon as Allied measures are complete. It was made equally clear that Mr. Churchill's reference to the dangerous position of neutrals was not intended to pass without notice, though there exists best reason for knowing that no neutral is in danger from the Allies.

The Oppositions indicate they will continue to keep vigilant watch on the progress of events but, meanwhile, they admit freely that, after yesterday's statement, they were satisfied with what had been done and are more confident of the sufficiency of the Government's war action than a month ago.

### SAILINGS AS USUAL

SHANGHAI, April 12 (Reuter).—Pending instructions from the Norwegian Consulate-General, all Norwegian ocean-going steamers now in Shanghai will continue their services according to schedule, says the Sinwampao.

The Norwegian steamer, Anchi, will leave Shanghai for Hongkong on April 13, and other Norwegian coastal steamers will continue in the usual routes, the report adds.

Since the detention of the Norwegian steamers by the Hongkong Government authorities, which have refused to issue clearance papers, no fresh instructions have been received by local Norwegian shipping firms from the Consulate, the report concludes.

### NAZIS WANT NORWEGIANS TO STOP FIGHTING!

NEW YORK, Apr. 12 (Reuter).—The Nazi controlled Oslo Radio, in a broadcast picked up here, appealed to the Norwegians to stop fighting, adding that anyone failing to co-operate with the Nazis will be shot.

### NAVAL BATTLE IN PROGRESS

STOCKHOLM, April 12 (Reuter).—A battle between British and German warships is reported to be in progress off Tromsøen.

British submarines are also reported to have attacked German warships and aircraft in the Trondhjem Fjord last evening.

An earlier report stated that the German warships there are believed to be bottled up by the British Naval forces.

### NYBERGSUND BOMBED

STOCKHOLM, April 12 (Reuter).—Nybergsund is reported to have been completely destroyed by bombing which lasted an hour. The report that the Norwegian Royal Family and Government were there during the attack is denied. It is learned from reliable sources that the Royal Family and Government had already left.

### BRITISH TROOPS LANDING

STOCKHOLM, April 12 (Reuter).—According to information reaching Uddvalle from Hvaler Islands and other places in outer Oslo Fjord, British vessels have been observed at several points along the coast, apparently landing troops.

### CONSOLIDATING THEIR DEFENCES

BERLIN, April 12 (Reuter).—A German High Command bulletin announces an "extension in the consolidation of German positions in Norway" and strengthening of preparations to meet any Allied attacks.

According to the same communication, the Norwegian commanders in Oslo have declared their readiness to co-operate in the air defence measures against any Allied attacks.

### FRONT MIGHT BLAZE UP

PARIS, April 12 (Reuter).—The Front might blaze up any day, said a War Ministry spokesman, giving a warning that "events in North Europe must not make us forget the Front between the Moselle and the Rhine," and added that "at various points we have observed indications of preparations for an attack."

PARIS, April 12 (Reuter).—French Army leave has been temporarily suspended.

### MUST CAPTURE KING HAakon

STOCKHOLM, Apr. 12 (Reuter).—It is reported here that the Germans were ordered to secure the person of King Haakon at all costs but failed.

## MOBILISATION IN NORWAY PROCEEDING SMOOTHLY

STOCKHOLM, April 12 (Reuter).—It is reported here that General Otto Ruge has been appointed the Norwegian Commander-in-Chief.

A communique, issued here, reads:—

"The mobilisation of Norwegian troops is proceeding methodically throughout the country, the defence of which is being organised as the men come in."

"German troops which attempted to advance towards Elverum were repulsed near Eidsvoll. The Norwegian General Staff has taken defence measures in the interior of the whole province of Westland. At Bergen the Norwegian defence has been organised and there is reason to believe that German troops there had been checked. This also applies to Tromsøelag."

The fortifications in the Outer Oslo Fjord, at Bolserne, were still resisting on Wednesday evening. "The German troops which advanced towards Elverum were repulsed by the German Air Attache in Oslo. They evidently planned to capture the Norwegian Parliament and Government."

"At that moment our defence had not been organised in this region but a detachment of Norwegian soldiers was hastily concentrated and reinforced by Military labour corps men, members of the Rifle Club and cadets. When the Germans approached they encountered heavy fire and were driven back after an engagement lasting half an hour."

"The Norwegian detachment carried out a brilliant exploit. The commander of the German troops was killed and their other losses were probably heavy."

"Two Norwegians were wounded."

## IF GERMANY STRIKES AT NEUTRALS AGAIN

### Holland Will Perhaps Be The Next Victim

LONDON, Apr. 12 (Havas).—Will Mr. Churchill's message to the neutrals be understood? Such is the question political circles are asking, as many indications point to the possibility of Germany attempting to seize the northern part of Holland to obtain air bases against Britain.

### Nazis Issue Warning

### THREAT TO HOLLAND AND BELGIUM

LONDON, April 12 (Reuter).—Reports have reached Paris that Holland and Belgium have been faced with new German threats, says the Daily Telegraph's correspondent there.

It is believed the fate of Denmark and Norway has caused the Dutch and Belgians to consider whether they could afford to wait for an actual attack before asking for assistance from the Allies.

The German Government is believed to have called on the Belgian and Dutch representatives in Berlin and informed them that any attempt to place themselves under British or French protection would serve as a signal for an immediate and lightning attack by German forces.

### PRISONERS FOR THE FRONT

KWELIN, April 12 (Central).—After a period of rigid military training, a batch of eighty prisoners, on parole, left on April 8 for the front to fight for the fatherland.

Dredging of the Whangpoo River suspended since the outbreak of the Shanghai hostilities in August, 1937, was resumed on Wednesday, according to a Shanghai report. The Whangpoo Conservancy Board has been re-organized. Japanese staff members are employed.

Extremely discreet but important troop movements are taking place on the German frontier with Holland and Luxembourg, and large-scale measures are being taken to bring reinforcements and supplies on those two lines.

### STRIKE AT HOLLAND

Political circles in London believe that if Germany repeats her invasion of a neutral country, she will probably strike at Holland and will spare Belgium for the moment, in order to avoid challenging the powerful and well-trained Belgian army.

The Belgians, it is true, would probably help the Netherlands but their action in northern Holland would be much less efficacious than if based upon their own fortresses.

### FIGHT FOR LIBERTY

STOCKHOLM, Apr. 12 (Havas).—Norwegian socialist trade unions and the Labour party have appealed to the population to fight for liberty against the barbarous methods of the Nazis.

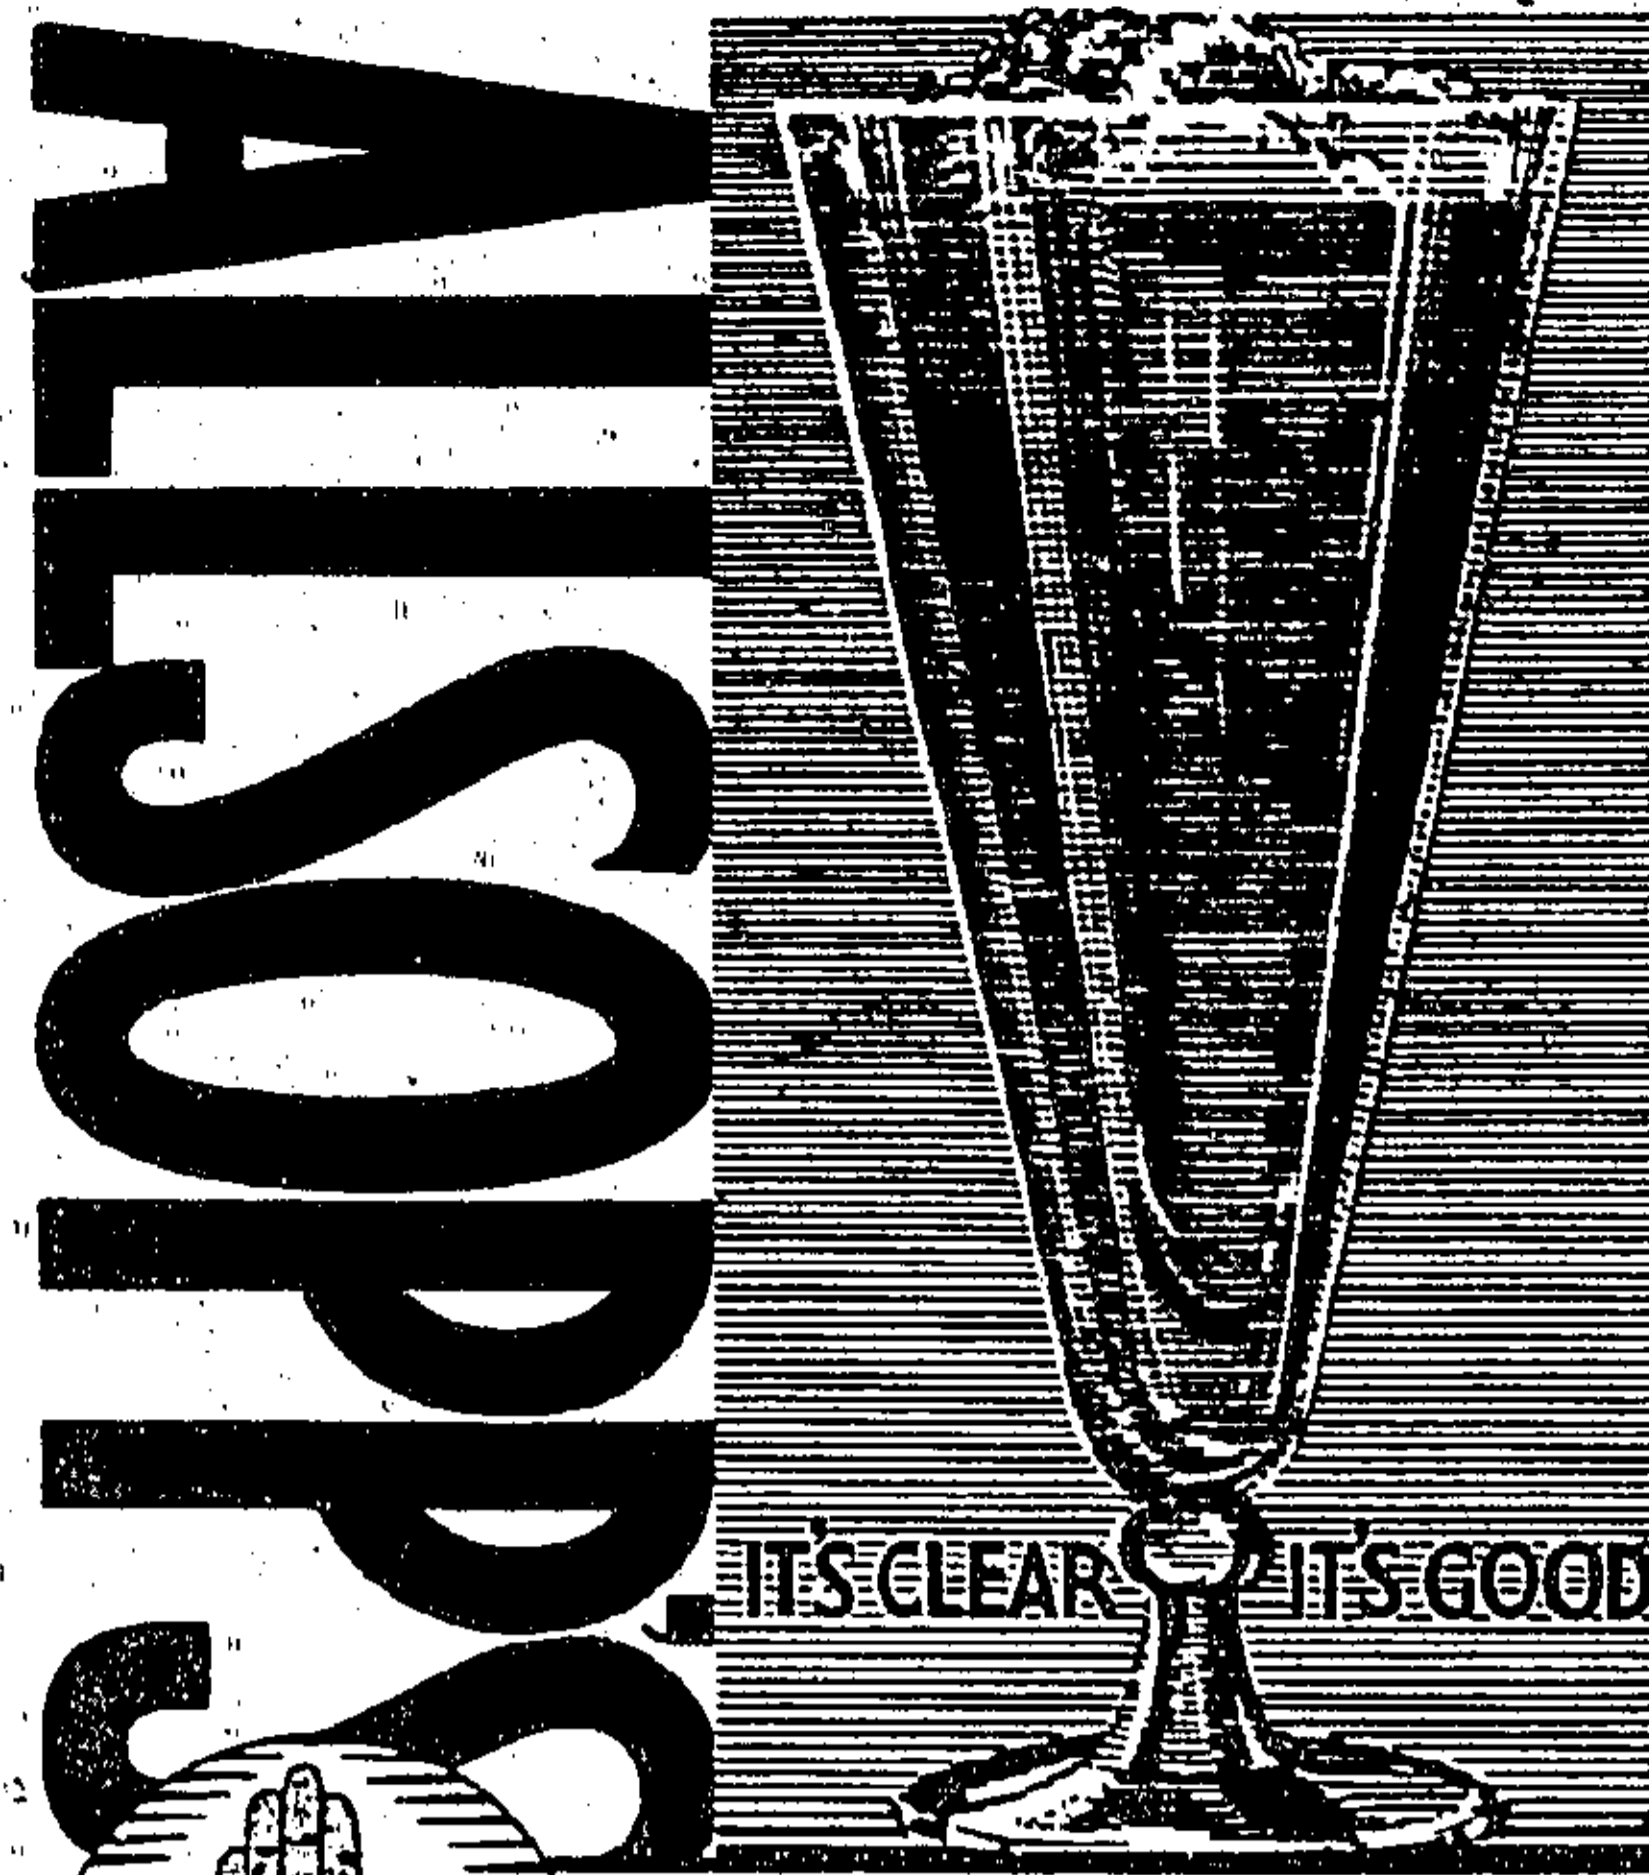

"Men and women of Norway!" runs the appeal. "We must save the freedom of our country."

"Our nation and fundamental liberties are in danger. If the Germans and the Quisling government succeed in controlling Norway the workers' movement will be crushed and we will be enslaved."

"Our legal Government enjoys our full confidence and we gladly join the country's defence."

### HOLDING THEIR OWN

STOCKHOLM, Apr. 12 (Havas).—The Norwegian troops fighting north of Oslo are holding their own and are capable of checking the German forces as long as the enemy gets no reinforcements. Information from Norwegian field headquarters indicates

## JAPAN SECRETLY ADVISING NAZIS?

SHANGHAI, Apr. 12 (Int'l).—Information from Major-General Susumu Morioka, Director of the North China Liaison Department, Asia Development Board, states that Japan is secretly advising the Nazis to turn down all peace overtures so as to protract hostilities in order that the attention of England and France be focussed on Europe.

When England and France will be so involved in their struggle, Japan will act in concert with the Nazis to take over and exploit the Allies' colonies in South Africa and the South Seas.

### TRAINING PILOTS IN S. AFRICA

CAPE TOWN, Apr. 12 (Reuter).—General Smuts announced in the House of Assembly that the British Government has accepted the Union Government's invitation to train British airmen in South Africa. The British would bring their own machines and instructors.

### BUSY DAY FOR M. REYNAUD

PARIS, April 12 (Reuter).—M. Reynaud yesterday morning received Mr. William C. Bullitt, the United States Ambassador, returning to Paris from long leave. M. Reynaud also received the Turkish Ambassador, the French Minister to Syria and the French Ambassador to Moscow. During the day M. Daladier conferred with General Weygand.

### PRISONERS IN SCOTLAND

LONDON, April 12 (Reuter).—Survivors of the destroyer, Gurkha, landed in a Scottish town and were entertained by the inhabitants. They stated that they kept firing the guns until the water was on a level with the deck. Seventy German prisoners were also landed under guard.

### WIN FOR THE ORIENT

LONDON, April 12 (Reuter).—In the South (D) Section of the Regional Home football competition, Clapton Orient defeated Bournemouth by two goals to nil.

### PRISON AND CANE

Sentence of four months' hard labour with 10 strokes of the cane was imposed on Kwan Kau, 20, unemployed, when he pleaded guilty before Mr. H. G. Sheldon at the Central Court yesterday to snatching an earring from a woman at the staircase of No. 10 Fleming Road, on Thursday.

## MOST BARBARIC REGIME OF MODERN TIMES

### Scathing Criticism Of Nazis By American Press

LONDON, April 11 (Reuter).—The Boston Post says: "The attempted alibi of Berlin that the move was dictated by the British spreading of mines off the Norwegian coast is the flimsiest sort of pretext."

The Post considers the move one of desperation, and revealing that Germany is harder hit by the blockade than was suspected.

The Providence Journal says: "If anything was needed to demonstrate the justice of the war the Allies are waging on Germany, Hitler's invasion of Denmark and Norway provides it."

However, the British struck what seems to have been a heavy blow at the weakest points in the whole German scheme—the water communications over Skagerrak.

The Pittsburgh Post-Gazette says: "A neutral nation, no matter what its sympathies or how cautious its attitude, cannot be safe in Europe while the Nazis retain a vestige of power. It may be argued that the British mining of Norwegian territorial waters was equally a violation of neutral rights."

WHO CAN BLAME BRITAIN? There is a vast difference, however, between this action, accompanied by warnings and safeguard of non-belligerents, and the deliberate occupation of a nation by an undeclared war.

"England admittedly is guilty of a breach of technical rights under International Law. But she acted in defending herself against the Nazis, who have broken every known law governing the relations of nations, seizing territory, bombing civilians, sinking numerous ships without allowing crews and passengers to escape, and destroying by torpedoes and mines many neutral vessels with the loss of men and women."

"If England has not lived up to the letter of the law, how many will blame her for what, and how she finds it necessary to do in a war against the most barbaric regime the modern world has seen?"

## LESSON SERMON

## FIRST CHURCH OF CHRIST, SCIENTIST, HONG KONG.

The Subject of the Lesson Sermon in all Christian Science Churches, tomorrow will be:—"Are Sin, Disease, and Death real?" The Golden Text will be:—"The Lord is our Judge, the Lord is our lawgiver, the Lord is our king; he will save us." (Isa. 33:22).  
Among others the following citations will be read from the Bible:—"In the beginning was the Word, and the Word was with God, and the Word was God. All things were made by him; and without him was not anything made that was made. In him was life, and the life was the light of men. For whatsoever is born of God overcometh the world; and this is the victory that overcometh the world, even our faith." (John 1:1,3,4; 1 John 5:4).  
The following citations will also be read from the Christian Science Text-book,—"Science and Health with Key to the Scriptures" by Mary Baker Eddy:—"God is not the author of mortal disorders. Therefore we accept the conclusion that disorders have only a fabulous existence, are mortal beliefs which divine Truth and Love destroy. The prayer that reforms the sinner and heals the sick is an absolute faith that all things are possible to god—a spiritual understanding of Him, an unselfed love." (Pages 231, 1).

The Ta Tung Development Society at Mapien is another large agricultural development concern. Capitalised at \$1,000,000, the Society has planted 90,000,000 tung trees on 3,000 mow of land. Its tung oil output exceeds 250 shih a year.

H.K. STOCK EXCHANGE

Sales reported during the week have been over a fairly representative selection, with H.K. Banks a good leader. A few prices have given way slightly, but this is by no means due to nervous liquidation. A short time ago bulls operated on the chance of some "plums" being handed out. The fruit has not yet ripened and consequently some of the bulls are now retiring. It is this that has caused the slight recession.

by India and Britain, neither of whom have yet contested the finals of previous tournaments.

India has had much the harder "roe to hoe" in getting through to the last round and, despite the opposition's heavy slugging "Plug" Gillespie, Dave and Stan Leonard, the Indian boys are fancied on the strength of their sound defensive displays.

Britain's questionable spot will be in the pitching business where Denham Cray, George Fowler or "Smudge" Smith will hold sway. The first named had a bad attack of "buck-fever," as "Doc" Molthen called it, when Denham had difficulty in finding the plate against the Filipinos, last Sunday and if he should run into another erratic spell, it is doubtful that the other two twirlers will be effective against the eagle-eyed Indian lads, who play strict percentage ball.

The respective squads are as follows:—  
INDIA: Kassa Nazarin, "Turzan" Ismail, Jesse Arcull, Abdul Omar (if fit), A. R. Kitchell, Obear Arcull, Sherry Bux, "Savage" Hassan, "Cyclone" Baker, Abbas and "Sunburn" Omar.

BRITAIN: Denham Cray, Gillespie, Terry Leonard, Willie Sprinkle, George White, Dave Leonard, Albert Leonard, Stan Leonard, George Fowler, "Pinky" Higgins, Fittinghoff, "Smudge" Smith, Patsy Jorge, and Sammy Izatt.

The latter aggregation have more individual stars than the former, but whoever does finally march off with the Falconer Shield, will know they've been in a ball game.

### LEAGUE FIXTURES

An extra item will be served up for the fans who care to go without tiffin the Canadian Chinese lassies tangling with the Baby Panthers in a league fixture. The Canucks are hot favourites to win this season's pennant but have to take two of their three remaining fixtures in order to be certain of the championship title and the Southard Shield which goes with it.

### "GIANT KILLERS"

The Baby Panthers, by virtue of a surprising win over the Wahooks, are known as the giant-killers of the Ladies' League and should offer stern competition.

The full programme and umpires are as follows:—

### KOWLOON FOOTBALL CLUB GROUND:

Ladies International:  
10.30 a.m. China v. Portugal—Umpires—F. J. Molthen, E. R. Hearther and J. Higgins.

### COLONY'S HEALTH

## COMBINED EXERCISES CONCLUDE

Hongkong's five-day war games concluded yesterday morning, when it was reported that the "enemy" had failed to attain any tenable position. The official communique says:—

During the night further attacks were made by small craft along the south shore and were repulsed. An attack to exercise the inner line of defences was again carried out. The enemy having failed to establish himself in any tenable position by daylight, there was no occasion for counter-attacks. The exercise was therefore concluded at 7 a.m.

## MACAO RACE MEETING

### Big Sweep On The Jockey Cup Race May Pay \$23,940

(BY "LAST QUARTER")

With the weather taking a decided turn for the better at the time of writing, the April Race Meeting of the Macao Jockey Club which takes place tomorrow afternoon at the Arela Preta course should draw quite a large attendance. Under new direction, the Special \$1 Sweep on the "Jockey Cup" is "enjoying strong support and it is practically certain that the entire 50,000 tickets will be disposed of by the time the race is run. If this should be the case, the first prize will be \$23,940.00.

The usual comfortable steamer accommodation will be available for punters making the trip and a review of the entries indicate the possibilities of some very interesting racing.

#### CHUNG SHAN STAKES

On paper Gold Clause, Meadow Eve and Fairy Ousel are the ones to watch in this opening event over six furlongs, and judging from the distribution of weights, I am inclined to favour Gold Clause for the premier position at the finish. Fairy Auk should pay well if he manages to come home in front of the three favourites mentioned.

#### JOCKEY CUP

Pumelo should have an excellent chance here as this pony is very

speedy and the five furlongs should just about suit him. Dick Turpin has been running quite well recently and the main opposition will undoubtedly come from this quarter. Tarzan and Quick Despatch are fair bets, especially the former, whom I consider very dangerous in a sprint race.

#### CHINSHAN HANDICAP (FIRST SECTION)

Lucky Eleven has been knocking at the door so frequently of late that I must concede him the best chance in this sprint event of five furlongs. If Mr. S. C. Liang is up on this chestnut his chances will be greatly enhanced. The Tigress should finish very near as this grey is very fast off the mark. Gallant Marshall and Wild Bear are the ones to watch for a bigger dividend. The former is class enough to win, but is such a temperamental racer that punters should be a little careful of him.

#### HIN WANG CUP

This trophy which has been presented Mr. Kwok Hin Wang, whose connection with the Club should do racing in the Portuguese Colony a great deal of benefit, will probably go to Night View. This black has been coming on in form and ran very well at the Valley last week. Fel Ying will be dangerous, especially if the going should be on the wet side. Gold Coin should also do well and Jack O'Lantern may snatch a place.

#### CHINSHAN HANDICAP (SECOND SECTION)

I think Old Fashioned and New Bedford will fight it out in this event with Dow Jones and National Anthem very close up. The latter pony appeals to me as the best outsider of the day. The race is over five furlongs and I believe New Bedford will get the better of Old Fashioned.

#### SHEKKI HANDICAP

The concluding event of the day's programme is a six furlong sprint for Novice Jockeys and I think one of the Macao ponies should win, with my choice falling on Shanghai 4. Rothesay Bay is the main danger and should at least secure a place. Cloudy Star is the next one amongst the entries, unless punters are looking for an outsider, in which case I recommend Labour Day.

### D.B.S. SPORTS ON APR. 17

The annual athletic sports of the Diocesan Boys' School, which were to have been held at the School yesterday, have been postponed to Wednesday, April 17.

Heats in the various events were run off yesterday, and some promising performances were returned despite the heavy track. Times of 59 seconds and 61 seconds were returned in the two heats of the 440 Yards run while in the High Jump preliminaries six boys cleared the bar at 5 feet.

### CANTON UNIVERSITY ENGLISH CLUB

The Canton University English Club has issued a manifesto on its first anniversary which falls on April 15. The manifesto reads as follows:—

The Canton University English Club first came into being on April 15, 1939. It has ever since played an important role in the promotion of international goodwill, and in carrying out propaganda work. With the co-operation of our members, the Club has gained a fairly successful year. Most of the foreign and Chinese newspapers of the Colony have rendered us valuable assistance to whom we are greatly indebted.

Now, we beg to express our wishes as follows:

We strongly appeal to all friendly Powers to give us assistance; We earnestly urge our fellow citizens to support our Government;

Since every student of Canton University has been enlisted as a member of the "Friends of the Wounded Soldiers," we sincerely hope all students will help this good cause;

We promise that we shall do our best to fulfill the mission which is rightly and justly ours.

The body of an unknown Chinese male was found by the Police yesterday afternoon in May Road, between Magazine Road and Gap Road. The body was in a highly decomposed condition and it is believed that death occurred some days ago. There were no indications of foul play.
